

# LOOSEN BROS. 2021 Dr. L Riesling

**Crisp, juicy, vibrant and refreshing, Dr. L Riesling is still the No. 1 Super-Premium German Riesling in America!**

This top-selling Loosen Bros. wine is Ernst Loosen’s “ambassador” for the Mosel region and for the Riesling variety. It embodies the delicate and racy style that is characteristic of Riesling grown in the slate-soil vineyards of the Mosel valley. And, best of all, it delivers this uniquely delicious and invigorating taste at a very affordable price for every day enjoyment. It is a bright, refreshing, fruit-driven wine, with a juicy mid-palate and a crisp, drying finish.

### ABOUT THE 2021 VINTAGE

After six consecutive hot and dry years, 2021 proved to be a stark contrast to this trend, as it was considerably cooler and moister. The year began with intensely cold weather. So cold, in fact, that on January 11 we were able to harvest the last grapes of the 2020 vintage for Eiswein. Fortunately, we were spared from the spring frost damage that caused severe losses in some European wine-growing regions. In the end we were totally satisfied. “2021 parallels previous vintages that were characterized by a long and cool ripening period,” said our cellarmaster, Berni Schug, “which leads to a classically elegant abundance of fruit aromas as well modest alcohol levels; this you can only find on the Mosel!”

### ABOUT LOOSEN BROS.

Loosen Bros. (“Gebrüder Loosen” in German), is Ernst Loosen, of the renowned Dr. Loosen estate, and his younger brother, Thomas. Together, the brothers work with small growers throughout the Mosel region to source fruit for the wines, which are vinified by the same highly skilled cellar team that produces the Dr. Loosen estate wines. Very strict quality standards require that the growers improve their viticulture in order to sustainably grow the healthy, perfectly ripe fruit that Ernst and Thomas want for these wines.
