

2020 MORSTEIN RIESLING KABINETT

VDP.GROSSE LAGE – 20120

VDP.GROSSE LAGE

The VDP.GROSSE LAGE® designation is awarded only to the very finest vineyards. In Rheinhessen, each site is delineated down to the precise parcel. Wines grown here express a distinctive sense of place and promise tremendous cellarability.

THE SITE

MORSTEIN is situated on the south-facing slope which ascends from the glacial valley of the Rhine to the rim of a high plateau, reaching a height of 280 meters (ca. 920 ft.) above sea level at an inclination of 20 percent.

THE SOIL

Underneath a top layer of heavy clay marl soils with limestone deposits lies an aquiferous layer of rocky limestone, which optimally provides the vines with nutrients and minerals.

DESCRIPTION VINTAGE 2019

Fine citrus fruit and subtle yeast notes combined with aromas of pineapple lingering into a long mineral finish.

Gunpowder – citrus fruit - whirling minerality

PRESS REVIEWS VINTAGE 2019
