

VILLA WOLF 2020 Sauvignon Blanc

A brilliantly pure, ripe and fruit-forward Sauvignon Blanc with pristine structure and true varietal character.

As with all of the Villa Wolf varietal wines, the Sauvignon Blanc is produced from fruit that has reached optimum ripeness, but is not over ripe. And only clean, healthy fruit (without botrytis) is allowed. The sandy loam soils of the Pfalz region produces fruit with excellent purity and varietal expression, resulting in wines that are fresh and juicy, with aromatic character and a crisp backbone of acidity.

THE VILLA WOLF WINERY

Founded in 1756, the Villa Wolf winery was a successful and highly regarded wine estate for more than two centuries. Ernst Loosen, owner of Dr. Loosen, took over the winery in 1996, launching a dramatic revival of the estate's quality and reputation. The Villa Wolf varietal line-up features exceptionally affordable, classic Pfalz wines made from traditional grape varieties. The Pfalz (aka 'Palatinate') region is in the Rhine river valley in southwest Germany. Because it is one of the warmer and drier areas of cool-climate Germany, wine grapes do quite well here, where it is possible to achieve full ripeness in every vintage.

THE 2020 VINTAGE

Because of its very early start, the 2020 growing season caused some viticultural concerns from the very beginning. But thanks to the intuition and exertions of our very dedicated vineyard team, this year turned out to be extraordinary. To put it in perspective, Patrick Möllendorf, head winemaker at Villa Wolf, commented that 2020 "reminds me a lot of the harmonious 2012 vintage, which had conditions that were almost as ideal as this year and produced wines that now show enormous aging potential."
