

MAXIMIN GRÜNHÄUS 2022 Abtsberg Riesling Grosses Gewächs (GG)

A fine and sophisticated dry Riesling from a cherished wine estate's top Grosse Lage (grand cru) vineyard site.

The Abtsberg vineyard is one of the greatest sites in all of Germany. It is extremely steep (up to 70% slope) and has perfect south-southwest exposure, making it the warmest site at Grünhaus. The wines from this vineyard are finely structured, with subtle minerality, a racy acidity, generous fruit and great delicacy. Grosses Gewächs (GG) is the German term for an estate's best dry wine from a Grosse Lage vineyard.

ABOUT MAXIMIN GRÜNHÄUS

This historic estate dates back to the 7th century, when the vineyards and buildings were donated to the Benedictine order of St. Maximin. The monastery was privatized by Napoleon in the early 19th century. In 1882, it was purchased by an ancestor of Maximin von Schubert, who is the sixth generation of the family to own the estate. Work in the vineyards is done in close harmony with nature. Fertilization is organic, and no pesticides or herbicides are used. The wines ferment naturally in the deep, cool cellar, where they are matured in stainless steel tanks and neutral oak casks.

THE 2022 VINTAGE

A warm and dry spring led to an early start to the growing season where budding began in May. The dry conditions were clearly noticeable in the vineyards as the young vines struggled. Our luck changed when rain finally hit the Ruwer at the end of August. Cool nights and small rain showers accompanied us through an otherwise optimal harvest. While 2022 will be remembered as a hot vintage, the wines are extremely fresh, have mouthwatering acidity, and superb precision
