

MAXIMIN GRÜNHÄUS 2022 Herrenberg Riesling Kabinett

An alluring and captivating single-vineyard Riesling in the charmingly delicate and low-alcohol Kabinett style.

The Herrenberg vineyard is based more on red slate than its neighbor Abtsberg. It also has deeper topsoil that retains more water, which can be of great benefit in dry years. The wines are more generous and tend to open up sooner than those of Abtsberg, but are capable of equal longevity. This wine is produced in the delicate Kabinett style, and exhibits the distinctive stone fruit flavors and red slate minerality that are typical of this vineyard's terroir.

ABOUT MAXIMIN GRÜNHÄUS

This historic estate dates back to the 7th century, when the vineyards and buildings were donated to the Benedictine order of St. Maximin. The monastery was privatized by Napoleon in the early 19th century. In 1882, it was purchased by an ancestor of Maximin von Schubert, who is the sixth generation of the family to own the estate. Work in the vineyards is done in close harmony with nature. Fertilization is organic, and no pesticides or herbicides are used. The wines ferment naturally in the deep, cool cellar, where they are matured in stainless steel tanks and neutral oak casks.

THE 2022 VINTAGE

A warm and dry spring led to an early start to the growing season where budding began in May. The dry conditions were clearly noticeable in the vineyards as the young vines struggled. Our luck changed when rain finally hit the Ruwer at the end of August. Cool nights and small rain showers accompanied us through an otherwise optimal harvest. While 2022 will be remembered as a hot vintage, the wines are extremely fresh, have mouthwatering acidity, and superb precision
