

ROBERT WEIL 2022 Rheingau Riesling Kabinett

A delightfully lively and charming Riesling from Germany's Rhine valley, made in the delicate, lower-alcohol Kabinett style.

The estate-grown Riesling Kabinett is made to showcase the traditional, lighter style of Riesling. It is sourced from cooler, higher-elevation parcels adjacent to the estate's classified single-vineyard sites. But it also includes fruit from pre-selections in the top sites, which gives the wine an extra dimension of fruit and mineral intensity. The Riesling Kabinett is light and lovely, with lush exotic fruit aromas and a poised balance of bright acidity and lacy natural sweetness.

THE ROBERT WEIL ESTATE

Founded in 1875, Weingut Robert Weil is one of the finest producers in the Rheingau region. Wilhelm Weil, the great-grandson of the estate's founder, carries on the uncompromising, quality-oriented vineyard and cellar practices that have been the hallmark of this elite estate for four generations. The Rheingau is a small section of the Rhine River valley, near the city of Mainz. Notable for steep, south-facing slopes in a protected valley along a climate-moderating river, this legendary wine region has the ideal conditions for growing ripe, full-bodied Riesling.

THE 2022 VINTAGE

Record high temperatures and Mediterranean levels of sunshine with almost no summer rain made for a challenging 2022 growing season and vintage. Despite the sunny conditions, vine development remained moderate throughout the summer as drought set in. September rains were a great relief but required meticulous work in the vineyards to mitigate disease pressure. It took courage, patience, and hard manual labor, but the resulting wines are exceptional.

[92] Decanter

"The palate is juicy and delicious; lemon drop candies, honeyed apricot flesh and ripe yellow peaches are all lifted by a soaring acidity."

— Clive Pursehouse, April 2024

[92] Vinous

"White peach aromas are framed by citrus. The palate is tingling, bright and juicy, with peaches delineated by lemon. Incredibly animating and mouth-watering. It is dangerously delicious."

— Anne Krebiehl, December 2023
