## 2023 Brauneberger Juffer Sonnenuhr Riesling Auslese

The epitome of finely selected, intensely mineral sweet Riesling from the magnificent “sundial” vineyard of Brauneberg.

The terrifyingly steep Brauneberg hillside has been revered as a top vineyard site since the Romans first cultivated wine grapes in the Mosel valley in the second century. The Juffer Sonnenuhr is the choicest center cut of the Brauneberg — the steepest and most south-facing part of the hillside that surrounds the sundial. This Grosse Lage (grand cru) site produces profound, distinctive wines with great purity and concentration.

### THE FRITZ HAAG ESTATE

The Fritz Haag estate is a historic family winery that dates back to 1605. The Haag family farms 29 hectares (72.5 acres) of vineyards in the heart of the Mosel Valley. They produce only Riesling, covering the full style spectrum, from dry to lusciously sweet. A intense “slate” character and a pronounced, fruity acidity give the wines their elegant sophistication and their great aging potential. The estate’s graceful, well-defined Rieslings are universally lauded as examples of the finest wines the Mosel region has to offer.

### THE 2023 VINTAGE

Spring 2023 began with mild temperatures and ample rainfall, which replenished our depleted groundwater reserves. The much-needed rains of late July, coupled with moderate August temperatures, facilitated gradual grape ripening. September’s high temperatures during picking required swift yet careful selection by our harvest team. October brought sunny, slightly cooler weather that is ideal for harvesting fine wines from premium vineyard sites. The fruit is highly aromatic with concentrated minerality, and the young wines already showcase finesse, balance, and ripe fruit flavors with structured acidity.
