

## FRITZ HAAG

### 2023 Brauneberger Juffer-Sonnenuhr Riesling Spätlese

**An intensely fruity yet delicate Riesling from fully ripe grapes, made in the moderately sweet Spätlese style.**

The extremely steep Brauneberg hillside has been a revered vineyard site since the Romans first cultivated wine grapes in the Mosel valley in the second century. The Juffer Sonnenuhr (“Sundial”) vineyard is the the steepest and most south-facing part of the hillside. It produces profound, distinctive wines with great purity and concentration. Spätlese is the German term for “later picking,” where extra time on the vine brings greater concentration and depth of flavor.

#### THE FRITZ HAAG ESTATE

The Fritz Haag estate is a historic family winery that dates back to 1605. The Haag family farms 29 hectares (72.5 acres) of vineyards in the heart of the Mosel Valley. They produce only Riesling, covering the full style spectrum, from dry to lusciously sweet. A intense “slate” character and a pronounced, fruity acidity give the wines their elegant sophistication and their great aging potential. The estate’s graceful, well-defined Rieslings are universally lauded as examples of the finest wines the Mosel region has to offer.

#### THE 2023 VINTAGE

Spring 2023 began with mild temperatures and ample rainfall, which replenished our depleted groundwater reserves. The much-needed rains of late July, coupled with moderate August temperatures, facilitated gradual grape ripening. September’s high temperatures during picking required swift yet careful selection by our harvest team. October brought sunny, slightly cooler weather that is ideal for harvesting fine wines from premium vineyard sites. The fruit is highly aromatic with concentrated minerality, and the young wines already showcase finesse, balance, and ripe fruit flavors with structured acidity.
