

MAXIMIN GRÜNHAUS 2023 Abtsberg Riesling Grosses Gewächs (GG)

A fine and sophisticated dry Riesling from a cherished wine estate's top Grosse Lage (grand cru) vineyard site.

The Abtsberg vineyard is one of the greatest sites in all of Germany. It is extremely steep (up to 70% slope) and has perfect south-southwest exposure, making it the warmest site at Grünhaus. The wines from this vineyard are finely structured, with subtle minerality, a racy acidity, generous fruit and great delicacy. Grosses Gewächs (GG) is the German term for an estate's best dry wine from a Grosse Lage vineyard.

ABOUT MAXIMIN GRÜNHAUS

This historic estate dates back to the 7th century, when the vineyards and buildings were donated to the Benedictine order of St. Maximin. The monastery was privatized by Napoleon in the early 19th century. In 1882, it was purchased by an ancestor of Maximin von Schubert, who is the sixth generation of the family to own the estate. Work in the vineyards is done in close harmony with nature. Fertilization is organic, and no pesticides or herbicides are used. The wines ferment naturally in the deep, cool cellar, where they are matured in stainless steel tanks and neutral oak casks.

THE 2023 VINTAGE

The 2023 growing season started with ample rain until May, followed by a cool spring slightly delaying budbreak. A brief, dry, and hot spell in June and July spurred robust vine growth. Late summer brought rain and warm temperatures, necessitating thorough sorting during harvest to select only pristine, ripe fruit. A warm autumn with mild nights spurred grape ripening, resulting in delicately fruity Spätlese and Auslese wines, alongside rich yet refined dry wines. These Rieslings already reveal notable tension, the distinctive Grünhaus taste, and the unique characteristics of our estate vineyard sites.

[93] Mosel Fine Wines

"Very delicate and light-weighted on the palate and leaves a focused and straightforward long finish. The aftertaste is all about spices and zesty elements." – September 2024
