### WHITE WINES

#### Jim Barry Wines Watervale Riesling, Clare Valley, 2022

**[94+]** *Wine Advocate*

In a word: excellent. This 2022 Watervale Riesling has soapstone, lavender, lime flesh, pumice stone phenolics and very fine, curvy acidity. It sits well in the mouth, and it lingers through into a long finish. It's incredible value for the money from one of the shining star producers in the region. *December 2022*

Wonderful nose of honeysuckle, melon and lime, then an excellent harmony of full fruit, elegant acidity and complex minerality on the medium-bodied palate. Very long, slightly austere finish. *October 2022*

Super-bright and youthful with tons of lime and garden-herb freshness, this is a sleek but very polished Clare Valley dry Riesling. Steely long finish with pronounced minerality. *October 2022*

#### Jim Barry Wines The Florita Riesling, Clare Valley, 2022

**[95]** *JamesSuckling.com*

A seriously structured Clare Valley dry Riesling that's been built for long-term aging. Super focused on the sleek and dangerously energetic palate. The very long, wet stone finish suggests that the patient will be richly rewarded! *October 2022*
