

WITTMANN 2024 “100 Hills” Pinot Blanc

A lively and beautifully structured white wine from organic vineyards in the rolling hills of the Rheinhessen region.

The entry-level “100 Hills” wines are produced from about 40% estate-grown fruit, with the remainder sourced from other local growers who are certified organic by the European Union. The fruit is harvested by hand, fermented naturally and matured in 50% stainless steel tanks and 50% large, neutral wooden casks. This combination retains the lively, bright fruit while bringing an extra dimension of texture from maturation in wood. It’s an elegant and invigorating wine that’s excellent for everyday enjoyment.

THE 2024 VINTAGE

Wittmann’s 2024 season began with mild, promising conditions, and the Westhofen vineyards were fortunate to avoid the late spring frosts that affected much of Germany. Summer remained temperate with sufficient rainfall, supporting healthy vine growth and vitality. Flowering and fruit set progressed smoothly, and a sunny August helped accelerate ripening in the final stages. Harvest began in mid-September under near-perfect conditions, yielding pristine, balanced grapes. Though intermittent rain during the harvest required patience, the fruit remained clean, and the wines show a restrained elegance and classical structure. The vintage already recalls standout years like 2002, with youthful finesse and the potential to evolve beautifully in bottle. It’s a vintage of quiet strength and subtle complexity.

THE WITTMANN ESTATE

The Wittmann family has been growing grapes and producing wine in the small Rheinhessen village of Westhofen since 1663. Today, the estate cultivates 62 acres of vines in the rolling limestone hills found in the southern part of the region. Estate owner Philipp Wittmann’s driving goal is to produce balanced wines that have tension, depth and intensity, but are at the same time fresh and elegant. He has no doubt that this complex character can only be created in the vineyard, so attention to detail in the viticulture is of primary importance.
