MAXIMIN GRÜNHÄUS

Exquisite, Expressive Rieslings from a Legendary German Estate

Originally founded as a monastery, in the 7th century, Maximin Grünhaus is a deeply historic and revered wine estate in the tiny Ruwer valley, a tributary of the Mosel. Over nearly two thousand years of continuous viticulture, this isolated estate has developed its own, unique character, with wines that have a singularly herbal and earthy taste.

Maximin Grünhaus wines are **an incomparable, very distinctive expression of their unique terroir.**
