

LOOSEN BROS.
2025 Dr. L Riesling

Crisp, juicy, vibrant and refreshing, Dr. L Riesling is the No. 1 Super-Premium German Riesling in America!

This top-selling Loosen Bros. wine is Ernst Loosen's "ambassador" for the Mosel region and for the Riesling variety. It embodies the delicate and racy style that is characteristic of Riesling grown in the slate-soil vineyards of the Mosel valley. And, best of all, it delivers this uniquely delicious and invigorating taste at a very affordable price for every day enjoyment. It is a bright, refreshing, fruit-driven wine, with a juicy mid-palate and a crisp, drying finish.

ABOUT THE 2025 VINTAGE

The 2025 growing season in the Mosel unfolded as a strong and steady year, shaped by balanced conditions and a smooth, even pace in the vineyards. A slightly delayed budbreak gave way to a warm, sun-filled spring with regular rainfall, setting up a healthy and uniform fruit set. A dry August pushed ripening forward and allowed for an early start to harvest, though rain during the picking window called for careful selection. The resulting wines show lifted aromatics, bright acidity, and a natural balance between ripeness and freshness.

ABOUT LOOSEN BROS.

Loosen Bros. ("Gebrüder Loosen" in German), is Ernst Loosen, of the renowned Dr. Loosen estate, and his younger brother, Thomas. Together, the brothers work with small growers throughout the Mosel region to source fruit for the wines, which are vinified by the same highly skilled cellar team that produces the Dr. Loosen estate wines. Very strict quality standards require that the growers improve their viticulture in order to sustainably grow the healthy, perfectly ripe fruit that Ernst and Thomas want for these wines.

Wine Enthusiast — BEST BUY —

"Lightly off dry, with lime and peach forming a simple, fruit-forward profile. The palate is direct and easygoing, with enough acidity to keep it balanced. Tasty and approachable, though fairly straightforward in character." — Oct. 2026

TECHNICAL INFO

Appellation: Mosel, Germany
